Hiccup was cooking cookies, today was his one year anniversary of dating Astrid. That made butterflies in his stomach. Toothless awoke suddenly when a beautiful smell reached his nose.

"Hey sleepyhead you awake?" Hiccup asked. Toothless responded with a yawn. He quickly put his head on Hiccup's tray.

"No, no, no buddy these cookies are for Astrid," Hiccup said. Toothless growled at him Hiccup was a big meanie, he thought to himself.

"Fine, here," He gave him a cookie. Hiccup was the nicest guy on earth, Toothless thought. Toothless quickly took a bite and felt like he took a bite from heaven.

It was beautiful, Toothless can almost cry. He needed more!

"You okay?" Hiccup asked. Toothless blacked out he was in heaven. Then he notice he was done! The cookie was gone forever into his stomach! He begged for more.

"Toothless, sorry these are for Astrid," He did puppy eyes begging for more.

"Ugh... fine you know those eyes always get me, here," Hiccup said. Toothless quickly gobbled it.

"Hiccup, what is that smells," Stoick came appearing in the kitchen. Stoick looked in shock to see Hiccup wearing an apron having gloves in his hands.

"Cooking for Astrid," Hiccup said.

"Hiccup, cooking is for woman," Stoick told Hiccup.

"No it's pretty manly," Hiccup said.

While they were debating Toothless saw the cookies off guard. It's now or never! Toothless quickly started eating all the cookies. Each bite almost felt better than flying!

"Okay fine," Stoick said admitting defeat. Toothless saw Stoick smirk watching how Hiccup was dressed.

Toothless's tummy began to hurt.

There was a knock at the door.

"Coming Astrid," Hiccup saw all his cookies gone,  
"Toothless!"

Toothless let out a groan. Hiccup quickly went to open the door.

"Hiccup! Happy one year anniversary! I made you cookies," Astrid said all in joy. Then Toothless vomited on Astrid's boots.

"Happy anniversary," Hiccup said his gift for her now on her boots.

Toothless let out another groan.

\*\*I know cookies aren't much of a gift, but in Viking times I think they were stuck with fish.\*\*
